Why Donate?

Your donation to Save a Life Pet Rescue helps save the lives of dogs in desperate need of assistance and loving, forever homes. In fact, Save a Life Pet Rescue's operation is solely dependent on the financial support of the community, specifically through its donations and adoption fees.

Food Donations Needed!

We are ALWAYS running out of canned puppy food and dry puppy food!
We go through over 100lbs of dry food and 4 cases of canned food everyday!
Below is our Amazon link that lists all of the canned and dry food we use. Please consider sending us a food donation, it ships directly to us! Every little bit helps!

Amazon Donation Food List

We are always in need of the following items as well.

- Large Collapsible Dog Kennels
- Bleach
- Bath Towels
- Paper Towels
- Tall Kitchen Trash Bags

If you would like to help us continue to save and enrich the lives of thousands of additional animals in desperate need of assistance and loving, forever homes, please make a tax-deductible donation to Save a Life Pet Rescue using the following link

Donations can also be made in-person at an adoption event (see our "Events" page for our next adoption event) or by mail to the following address:

**Save a Life Pet Rescue
P.O Box 623341
Oviedo, FL 32762**

**Thank you so much for your support!
We greatly appreciate your generosity.**
