How can I help Save a Life Pet Rescue beyond adopting an animal?

In addition to the support of adopters, Save a Life Pet Rescue is always in need of financial, volunteer and assistance. Without the adopters, volunteers and the community, Save a Life Pet Rescue could not accomplish its mission of saving and enriching the lives of animals of all ages, breeds, sizes, and conditions that have suffered from neglect, cruelty, abandonment, or overpopulation in high-kill animal shelters.

If we no longer want an animal that we adopted from Save a Life Pet Rescue, what should we do?

In the event that an adopter no longer wants their pet, they must, by contract, surrender the animal to Save a Life Pet Rescue.

Save A Life is an ALL foster based rescue and it is important for adopters to understand it can take anywhere from 3-4 weeks (sometimes longer) for a foster home to open up for a surrender.

The pet must be current on vaccines, rabies, flea and heart worm prevention prior to surrendering the pet back.

Is Save a Life Pet Rescue affiliated with Petsmart?

No. Save a Life Pet Rescue, Inc. is a non-profit 501(c)(3) organization.
