# SAVE A LIFE PET RESCUE

Welcome to the Save a Life Pet Rescue, Inc. website. At Save a Life Pet Rescue, our mission is to save and enrich the lives of dogs of all ages, breeds, sizes, and conditions that have suffered from neglect, cruelty, abandonment, or overpopulation in high-kill animal shelters. We work tirelessly to find our rescued animals perfect, loving, forever homes. Will you welcome one of our rescued dogs into your special family?

## Adoption Update

**NO EVENTS WILL TAKE PLACE AT PETSMART UNTIL FURTHER NOTICE**  
With the COVID-19 pandemic currently going on, we will be doing our adoptions differently for everyone's safety.

**Click here** to visit Petfinder and see available pets for adoption. Each listing will have specific, detailed instructions regarding adoptions of that particular pet. Please follow the directions detailed on the listing if you're interested in adopting.

We do not reserve or hold pets.

All adoption donations are \$320 cash donations only.

All pets come with a minimum of two sets of vaccines, flea, heartworm prevention, two dewormings and neutered. We also provide a free office exam and fecal.  
(Recommended clinic)

I want to personally thank everyone for their understanding and patience during this trying and difficult time.

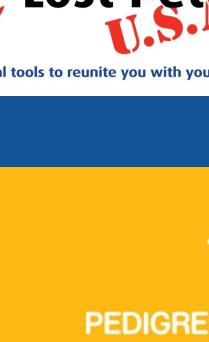

We will continue to help save as many pets as possible while also striving to keep our adopters safe.

PETFINDER and ADOPTAPET are updated by Wednesday evening of each week.

## Special Mention

Save a Life Pet Rescue would like to thank pilot Michael Young for his recent volunteer work for our organization. Michael used his personal plane to pick up numerous puppies from a high-kill shelter in Alabama and transport them to our rescue here in Florida. All of these puppies have now been adopted into loving homes!
